SPONSOR A HORSE PROGRAM

Who would have imagined that saving a horse's life could teach a child to have love, patience, and everlasting bonds through working with horses? With your generosity, we can bring a rescued horse and child together. Spending time with a horse, learning to ride, and developing trust, compassion, and building confidence are the most amazing and healing gifts for both children and the horses. Sponsoring a horse requires a \$200 donation per month. You will receive updates of the horse and child's experience, and via photos, blogs, and videos you will be able to track the progress as the relationship between the horse and child grows.

DONATE

All donations are welcomed and appreciated.

We are a 501C3; all donations are tax deductible.

SADDLE UP FOR SUCCESS YOUTH AND ADULT PROGRAM

Come and let us show you the ropes! The Coachella Valley Horse Rescue offers a horse program for youth development and for adults at our horse facility in North Indio.

In this program, we will teach how to care for horses that are primarily trained rescue horses. The program is designed so that anyone, adult or child, can build confidence, trust, and compassion through working with horses.
