Help Us Raise Hay — and Hope — for Horses and Humans Alike!

Dear Friends and Supporters,

We warmly invite you to support the **3rd Annual Raising Hay Fundraiser** on **Saturday, November 15, 2025**, at the beautiful and historic **J & J Ranch** in La Quinta, California to benefit the work of the **Coachella Valley Horse Rescue**.

One of the ways you can help is by **donating a unique item or experience** to our **Silent Auction**. Popular items include:

- Jewelry, artwork, and home goods
- Restaurant, spa, and wellness gift certificates
- Golf rounds, hotel stays, tours, and travel packages
- Sports memorabilia and exclusive experiences

Your generosity will be recognized by **250+ in-person guests**, including community leaders and local supporters - and promoted to **thousands of our online followers, donors, and sponsors**.

Our mission is simple but powerful: to **rescue, rehabilitate, and rehome** abandoned, abused, or neglected horses. When possible, we place them in loving homes. Horses that cannot be adopted - due to age, injury, or other challenges - may be trained to serve as **program horses**. Those who are unable to be either adopted or work in programs live out their days in permanent sanctuary at one of our two facilities, cared for with dignity and compassion.

With the cost of feed, hay, veterinary, and farrier care continuing to rise, it now takes over **\$500 per month per horse** just to cover basic needs. Many require **additional supplements, treatments, or specialized equipment** to live comfortably and safely.

But your support reaches beyond just the barn. Thanks to donors like you, we're also able to fund **life-changing community programs** including:

- Kid's Camp and Pony Club
- Horsinalities® Veterans Program
- Wellness Workshops
- Recovery Programs

In the coming year, we aim to expand these efforts to reach **first responders and other underserved populations**, using the healing power of horses to build **confidence, trust, and emotional resilience**.

Your donation—big or small—helps us give these horses, and the lives they touch, a second chance.

Please see the enclosed **Silent Auction Donation Form** and join us in making this year's *Raising Hay* our most impactful yet.

With heartfelt thanks,

The Coachella Valley Horse Rescue Team

The Coachella Valley Mounted Rangers is a 501c3 nonprofit organization that rescues and rehabilitates horses that have been abused or neglected and to place them in loving homes. Horses that cannot be adopted are trained and used as program horses, whenever possible. The Coachella Valley Mounted Rangers operates two rescue facilities. Our primary location, Coachella Valley Horse Rescue, is in Indio, California. We also maintain a satellite facility in Eagar, Arizona.
